

Block of the Month

March

Woven

For this block you will need 4 coloured/patterned fabrics and a plain background.

Cut 1 x 3 1/2 inch square and 1 x 6 1/2 inch rectangle from each of the patterned/coloured fabrics

Cut 4 x 3 1/2 inch squares from the background fabric

Join a coloured square to each background square.
Press seams to dark side.

Join each pair of squares to a different patterned rectangle to make square.
Press seams to dark side.

Take 2 squares with matching square and rectangle and place alongside each other so that the 2 background squares are in the top, outside corners.
Join and press seam.

Take the square with the patterned rectangle that matches the square fabric in the second square above

Join to the last square so that the background fabrics are in the bottom outside corners. Press.

Join together to complete the block which gives the illusion of the 4 patterned fabrics being woven together.
